ABOUT ME

Date of Birth: July 30, 1993   **Nationality: Spanish - Chilean**

I consider myself a dedicated professional who is punctual, reliable, and disciplined. I thrive working independently and can readily adapt to different work environments. I have a genuine passion for web development and design, and I've had the opportunity to gain experience in both frontend and backend development. I'm also committed to continuous learning and advancing my skills in the ever-evolving field of web development.
